July 18th, 2019 - the article concludes with a parative analysis of marvell's eyes and tears and richard crashaw's the weeper that redefines marvell as a deliberately anti-metaphysical poet. Seventeenth century british poetry structures of feeling in seventeenth century cultural expression. Women in the 16th, 17th and 18th centuries were challenged with expressing themselves in a patriarchal system that generally refused to grant merit to women's views. Cultural and political events during these centuries increased attention to women's issues such as education reform and by the end of the eighteenth:

Architecture in France in the Seventeenth Century

May 11th, 2020 - Architecture in France in the seventeenth century was a period of great troubles in France with religious and civil wars threatening on many occasions to tear the country apart. The accession of Henri IV (r. 1589-1610) paved a way for an era of greater peace and stability. Source for information on architecture in France in the...
